

Moelyci Coppice Group and Green Woodworking

In September Lucy and I represented Ffarm Moelyci at the Anglesey Woodland Festival, held at Plas Newydd.

This was a chance to display my recent workshop projects including an oak bench, destined for my daughter's garden and my first sythe handle. Good weather brought record numbers through the gates for this annual free event and much interest was shown in recent developments and activities at Ffarm Moelyci.

Future projects:

For the last few years I have been cobbling the steps to the bird hide back together, but now I think it's time for a new set. Anybody who would like to assist in this is very welcome to contact me.

Within the next few months, Jon Burke and I hope to survey the Moelyci Woodland Resource with a view to producing a management plan. Any help with this endeavour would be greatly appreciated. If you would like to become involved please call me or come and see Jon in the Caravan in the Moelyci Farmhouse Garden.

My drop-in and have-a-go Green Woodworking sessions continue to run every Sunday from 10am. These sessions are free, with tools and wood provided. If you would like to try your hand at this traditional skill please contact me on 01248 602397.

One Planet Council

The One Planet Council met at Moelyci during September to discuss one planet development options around Ffarm Moelyci and the local area. This project aims to provide a genuinely affordable and sustainable way for people to live and work on their own land, bringing social, economic and environmental benefits. Ffarm Moelyci would like to say a big thank you everyone who helped set up the site for the One Planet council event in September. All help was very much appreciated!

Cyngor Un Blaned

Cynhaliwyd cyfarfod o'r Cyngor Un Blaned ym Moelyci ym mis Medi i drafod opsiynau ar gyfer datblygiadau un blaned yn Ffarm Moelyci a'r ardal leol. Nod y prosiect yw darparu ffordd wirioneddol fforddiadwy a chynaliadwy i bobl fyw a gweithio ar eu tir eu hunain, gan ddod â manteision cymdeithasol, economaidd ac amgylcheddol. Hoffai Ffarm Moelyci ddiolch yn fawr i bawb a fu ynghlwm â pharatoi'r safle ar gyfer y digwyddiad. Gwerthfawrogydd pob cymorth yn fawr iawn!

Shop and Cafe

The cafe and shop will soon be open longer! From the start of November onwards, the shop will be open from Thursday to Sunday. 11am to 6pm weekdays, 930 to 5pm Saturday and 10pm to 4pm Sunday. We also had our first Panad a Sgwrs, held on the first saturday of every month from 10 to 11am where welsh learners can practice their skills with others and local speakers.

We're still seeking volunteers to work and trade skills in the shop and cafe. If you're interested then get in touch.

As the days are getting shorter we're seeing some lovely local produce in the shop like squashes and root veg. Visit us to see recipe ideas on the counter or try some of our new gluten free cakes and a panad. See you there.

Teaching Kitchen now available in the Barn!

We now have windows. The kitchen is on its final cosmetics! The windows are in and the floor will be ready soon (when it finally stops curing!) The space is starting to get its first few trial runs with a pop up restaurant for the One Planet Council and the making of soups from some of our Market Garden produce. If anyone is interested in this space for pop-up businesses or local community groups then let me know and we can see how it all fits together.

When I open my front door, I have to edge past milk churns, side-step boxes of packaging and then probably trip over the pile of cheese racks. This is yet another reason why I am very excited that plans for the new dairy at Ffarm Moelyci are beginning to become a reality.

Y Siop a'r Caffi

Bydd y siop caffi ar agor yn hirach cyn bo hir! O ddechrau fis Tachwedd ymlaen, bydd y siop ar agor o ddydd lau tan ddydd Sul: 11am - 6pm yn ystod yr wythnos, 9.30am - 5pm ar ddydd Sadwrn a 10am - 4pm ar ddydd Sul. Cynhaliwyd y cyntaf o'n sesiynau Panad a Sgwrs ddechrau fis Hydref - bydd y rhain yn digwydd ar ddydd Sadwrn cyntaf pob mis rhwng 10am ac 11am i roi cyfle i ddysgwyr Cymraeg ymarfer eu sgiliau gyda dysgwyr eraill a Chymry Cymraeg.

Rydym yn dal i chwilio am wirfoddolwyr i weithio a rhannu sgiliau yn y siop a'r caffi. Os oes gennych ddi-ddordeb, cysylltwch â ni.

Gan fod y dyddiau yn byrhau mae gennym gynnyrch lleol hyfryd megis gwrdaiau a llysiau gwraidd yn y siop. Galwch draw i weld syniadau am ryseitiau ar y cownter neu i gael panad a blasu rhai o'n cacennau heb glwten. Welwn ni chi yno!

Sadwrn 9:30 - 17:00

Bellach mae gennym ffenestri ac mae'r gegin bron a bod yn barod! Mae'r ffenestri yn eu lle a bydd y llawr yn barod cyn bo hir (pan fydd wedi caledu'n iawn!) Mae'r gofod eisoes wedi cael ei roi ar brawf gyda bwyty dros dro i'r Cyngor Un Blaned ac i wneud cawl gyda chynnyrch o'r Ardd Fasnachol. Os oes unrhyw un â diddordeb yn y gofod hwn ar gyfer busnesau dros dro neu grwpiau cymunedol lleol, yna gadewch imi wybod a gallwn weld sut mae'r cyfan yn ffitio gyda'i gilydd.

Mae cael llaethdy ar y ffarm yn dod yn agosach erbyn hyn gyda'r cynlluniau yn nwylo'r Adran Gynllunio. Ewch i wefan Cyngor Gwynedd a chwiliwch am C15/0921/16/LL. Be 'dych chi'n feddwl? 'Dyn ni wedi gweithio'n galed i sicrhau fod yr adeilad yn ddelfrydol i'r amgylchedd a hefyd ei fod yn gynaliadwy yn nhermau egni.

We have spent many a long hour pouring over the layout of the cheese store, calculating shelf space, comparing heating and insulation systems and much more... all the myriad of detail that make up the day to day working of a small artisan dairy. And not only that – working out how it can be as sustainable as possible, with pioneering features to keep energy use to a minimum. So to see the architect's view of the little dairy that is planned to be tucked into the bank of the upper car park at Ffarm Moelyci... is very exciting.

Do have a look at the plans on the Cyngor Gwynedd website. Look under Planning Applications and search for C15/0921/16/LL.

The time when cheese, yogurt and ice cream can be made locally on the farm is moving a little closer. And also the time when at home I can swing that metaphorical cat again.

Market Garden

Autumn is here, the growth garden is slowing down, most of the summer crops have now been cleared away making space for 'Autumn plantings' that will be harvested over winter and in spring of 2016. In the polytunnel there is fresh young salad and herbs ready to cut. Outside, winter vegetable are growing, replacing there summer crops.

The cutting garden is looking beautiful, come and cut yourself a bunch of flowers, once we get a heavy frost they will be gone.

In the nursery plants are being potted on and divided, preparing them for the winter ahead and sales in the spring.

Jobs in the market garden are still numerous, remember if you would like to come and volunteer come along on a Thursday between 10 and 4, new volunteers are always welcome

Coryn Bye, Market Garden

Remember our Volunteering Days

- Shop and Café every Saturday 10.00am until 4.00pm

Bydd y llaethdy'n cael ei guddio yng nghlawdd y maes parcio uchaf ac yn edrych fel adeilad bach amaethyddol. Bydd hanner y stordy caws o dan y ddaear er mwyn cadw'r tymheredd a'r lleithder yn gyson. 'Dyn ni'n bwriadu defnyddio pren Cymreig, cerrig lleol os bosib a system newydd (cynllun Tŷ Cymreig Newydd) o waliau wedi cael eu hinswleiddio â mwydion papur mewn fframiau pren... ia, mwydion papur!

Gyda lwc, bydd caws, iogwrt a hufen iâ o Ffarm Moelyci ar gael cyn diwedd 2016.

Yr Ardd Fasnachol

Mae'r hydref wedi cyrraedd, mae tyfiant yn yr ardd yn arafu ac mae'r rhan fwyaf o gnydau'r haf wedi cael eu clirio i wneud lle ar gyfer planhigion a fydd yn cael eu pigo dros y gaeaf ac yn y gwanwyn. Mae dail salad ffres a pherlysiau yn barod i'w torri yn y polidwnnel, ac allan yn yr ardd mae llysiau'r gaeaf yn dod yn eu blaenau'n dda.

Mae'r ardd flodau yn hardd felly dewch draw i gasglu tusw i chi'ch hun - unwaith y cawn ni rew bydd y cyfan wedi mynd.

Yn y feithrinfa mae planhigion yn cael eu potio a'u rhannu'n barod ar gyfer y gaeaf ac i'w gwerthu yn y gwanwyn.

Mae digon o waith i'w wneud o hyd yn yr ardd fasnachol, felly cofiwch ddod draw ar ddydd lau rhwng 10am a 4pm os hoffech chi wirfoddoli. Mae croeso mawr bob amser i wirfoddolwyr.

Coryn Bye, Yr Ardd Fasnachol

Gofiwch ein diwrnodau gwirfoddoli

- Gweithio'r Tir pob dydd Mawrth 10:00 tan 16:00

- **Safle Biomas**
Mae Moelyci'n adnabyddus am ei safle compostio cymunedol ac rydym yn edrych i ail-gychwyn hyn, gyda phwyslais ar godi maetholion gwerthfawr ac ynni o fiomas sydd ar hyn o bryd dros ben neu heb gael ei ddefnyddio. Mae gweiriau, rhedyn a brwyn pabwyr i

valuable resources that can yield a return given the right approach. Plans for converting the old composting site are being drawn up and will be coming forward this autumn. If you have ambitions in the biomass enterprise then get in touch.

➤ **Renewable energy**

This will be needed at Ffarm Moelyci, to heat and power the newly energised enterprise activities. We are at the early stages of looking at what forms of renewable energy – biomass, ground source heat, solar PV etc. – will be suited to the farm. As importantly we are planning to explore how energy is stored and distributed around the farm as an example of how other farms and villages might become self-sufficient.

gyd yn adnoddau gwerthfawr sy'n gallu creu incwm o gael eu trin yn iawn. Rydym yn paratoi cynlluniau ar gyfer addasu'r hen safle compostio a byddant ar gael yn yr hydref. Os oes gennych ddiddordeb mewn menter biomas cofiwch gysylltu.

➤ **Ynni adnewyddadwy**

Bydd gofyn cael ynni adnewyddadwy yn Ffarm Moelyci i wresogi a darparu trydan ar gyfer y mentrau sydd wedi cael ail wynt. Rydym wedi dechrau ystyried pa ffurfiau ar ynni adnewyddadwy - biomas, gwres o'r ddaear, paneli solar ffotofoltaig ayb - fydd yn addas ar gyfer y fferm. Rydym hefyd yn bwriadu ymchwilio i sut y mae ynni'n cael ei storio a'i ddsbarthu ar y ffarm fel enghraifft o sut y gallai ffermydd a phentrefi eraill ddod yn hunangynhaliol.

Oes gennych chi ddiddordeb yn rhai o'r datblygiadau hyn, neu yn sut y gallai Ffarm Moelyci helpu eich busnes?
